The dealings on the Stock Exchange during the morning hours to-day were without feature, except in a few instances. The general list at noon was but little changed from the closing prices of Saturday. The sales for the morning were 102,536 shares. Stocks continued dull during the afternoon, while prices were weaker. The weakness was chiefly attributable to talk of probable was chiefly attributable to talk of prousing gold exports. The bear traders took advantage of this talk and succeeded in sending the market down fractionally, the decline being, however, very irregular. The Trust stocks were very irregular. There was some buying of Sugar certificates on the information that at the coming quarterthe information that at the coming quarterly meeting of the company an extra dividend of 1 per cent. Will be declared in addition to the regular quarterly dividend of 2½ per cent. Lead and the Rubber Trust certificates were weak. Traders who bought the latter recently sold it to-day. London bought considerable Reading and other stocks to-day, but the business was not enough to influence prices. Closing prices were generally ½ to 1½ per cent. lower than these of Saturday. Sales for the day, 219,485 shares. 219,485 shares.

AN ORDINANCE—TO GRANT THE RIGHT OF WAY ALONG AND THROUGH THE STREETS OF THE CITY TO A. S. EUFORD AND OTHERS FOR THE PURPOSE OF TELAUTO-GRAPHIC AND TELEPHONIC COMMUNICATION.—Approved November 19, 1892.

GRAPHIC AND TELEPHONIC COMMUNICATION.—Approved November 19, 1892.

Be it ordained by the Council of the city of Richmond:

1. That permission is hereby granted to A. S. Buford, W. S. Gunn, James B. Pace, Charles Watkins, James H. Dooley, J. B. Moore, Joseph Bryan, A. H. Christian and T. M. Logan, subject to the conditions and provisions hereinafter stated, to erect poles in the streets and alleys of said city, and run suitable wires thereon, for the purpose of telautographic and telephonic communication within and without the said city. The routes to be allowed under this ordinance are to be such as may be from time to time determined on and specified by the Committee on Streets.

2. On any route conceded by the Committee on Streets, and accepted by the shove-named persons, the said persons shall, under the direction of the City Engineer, so place its poles and wires as to allow for the use of said poles by the fire alarm and police telegraph, in all cases giving the choice of position to the city's wires, wherever it shall be deemed advisable by the Councill or the proper committee to extend the fire alarm and police telegraph over such route.

3. The said persons to furnish telautographic and, when supplying the same, telephonic exchange service to the city at a special reduction of \$10 per annum for each municipal station.

4. No shade trees shall be disturbed, cut or damaged by the said persons in the prosecution of the work hereby authorized without the permission of the City Engineer and consent of the owners of property, in front of which such trees may stand, first had and obtained; and all work authorized by this ordinance shall be, in every respect, subject to the City Engineer's supervision and control.

5. This permission is also subject to all the provisions of the city ordinance as to the joint use of poles, approved July 18, 1891.

6. Fermission is also granted to run wires under James river in such manner and under such conditions and restrictions as may be determined on by said-Committee on S

its passage.

A N ORDINANCE—TO AMEND AND AREORDAIN AN ORDINANCE ENTITLED "AN ORDINANCE TO ALLOW THE RICHMOND CITY AND SEVEN PINES RAILROAD COMPANY TO RUN A TRACK ON TWENTY-SIXTH STREET AND TO OPERATE ITS ENGINES AND CARS THEREON.

**Approved November 15, 1892.*

Be it ordained by the Council of the city of Richmond:

That the ordinance entitled, "An ordinance to allow the Richmond City and Seven Pines Railroad Company to run a track on Twenty-sixth street, and operate its engines and cars thereon," approved November 15, 1889, be amended and reordained so as to read as follows:

1. That, subject to the conditions and terms herein set forth, permission is hereby granted the Richmond City and Seven Pines Railroad Company to construct and operate a single track from the northern corporation line on Twenty-sixth street along said street to P street, and there to connect with the tracks of the Richmond Union Passenger Railway Company, and to construct and operate a single track from the northern corporation line on Twenty-ninth street, and there to connect with said tracks of said street railway company, and also, with the permission of said street railway company, to use its tracks from Twenty-sixth street to Twenty-ninth street, und the first day of August, 1893, but no longer.

8. Permission is also given to use electricity is the motive power for the cars to

no longer.

8. Permission is also given to use electricity as the motive power for the cars to be operated upon the tracks above mentioned; but such permission shall be subject to each and every restriction and condition heretofore imposed by the City Council upon any one or more of the street railway companies using electricity as a motive power in this city; and for failure by said company to perform any one or more of said restrictions or conditions, it shall be liable to a fine of not less than ten nor more than one hundred dollars—each day's failure to be a separate offense. The city hereby expressly reserves the right to revoke at any time the right or permission to use electricity as a motive power, or to put further restrictions and regulations upon such use.

3. The location and grade of tracks

power, or to put further restrictions and regulations upon such use.

3. The location and grade of tracks and the manner and materials of construction shall be subject to the approval of the City Engineer. Within ten days after the first of August, 1803, the said company shall properly remove its present switch tracks or turnouts on Twenty-sixth street, between P and Q streets and between Q and R streets, and shall also restore the streets upon which said switch tracks or turnouts lay; all to the satisfaction of the City Engineer.

Engineer.

4. So much of the streets of the city removed or injured by the laying of the said tracks shall be replaced and repaired by the said company to the satisfaction of the City Engineer within ten days after receipt of notice from him.

5. Neither engines nor cars shall be allowed to stand, loaded or unloaded, upon said track on Twenty-sixth street longer than for such time as the Com-mittee on Streets may indicate from time

longer than for such time as the Committee on Streets may Indicate from time to time.

6. The laying of the tracks herein authorized shall be begun and completed on or before August 1, 1852. Whenever the said laying shall be begun, the work shall be pushed to completion with diligence satisfactory to the City Engineer.

7. The permission hereby granted shall at all times be subject to any amendment or revocation by the City Council, and chall be subject to all ordinances now in force or that may hereafter be adopted as to the streets of the city of Richmond.

8. Upon a revocation of the permission hereby granted, it shall be the duty of said company, at its own expense, to immeditely have the said tracks removed, and those parts of the streets affected by said removal put into a condition similar to the remainder of said streets at the time of said removal.

9. For a failure to conform fully to the provisions of this ordinance, or any requirement made thereunder, or any requirement made thereunder, or any amendment or revocation thereof, the said company shall be liable to a fine of not less than ten nor more than one hundred dollars, to be imposed by the police justice of Richmond—each day's failure to be a separate offense.

This ordinance shall be in force from its passage.
